Dear J.B. Nelson Families,

It's really over???

Thank you so much for sharing your children with us this year. We have had a wonderful time getting to know them and learning and growing with them all.

Our LRC will be open every Wednesday this summer from June 3rd-July 23rd from 9:00-11:00. Students are invited to come and check out books as well as taking AR quizzes.

In the first three weeks of July the school will be closed and no one will be manning the office. If you need questions answered please contact the district office at (630) 937-8800.

We are still finalizing plans for our 1:1 technology roll out at the elementary level. More information will be forthcoming at our curriculum night on Thursday, September 3rd.

There will NOT be any teacher letters sent home to families this summer. You will receive an email Messenger telling you when Power School will be "live" for you to check on your child's class assignment for next year. I will also send an email inviting all families to our Teacher Meet and Greet/Supply drop off in August.

I want to share a great resource with all parents. This year we utilized the Ten Marks math fact program online and found that

students really enjoyed using it and showed growth. This summer they are offering a FREE summer program to parents. Here is the link:
