

Committee Reports for December 1, 2015 meeting

Date: November 25, 2015

Name of Committee: Movie Night

Committee Activities Description and Status:

We held our first movie night on Friday, 11/20/15 with about 130 people in attendance. We took in just over \$200 at the door in admission and raffle tickets, and an additional almost \$600 from concessions for the night. We had a net profit for the night of \$205.33 (assuming we divide the annual licensing fee evenly between the 3 scheduled movie nights).

Thank you to everyone who volunteered and helped us make it a fun evening for our JB families!

Proposals/Recommendations/Motions to be Presented: None

Requests/Questions to be Addressed: Adding or Replacing movie raffle with a 50/50 raffle for future events.

Submitted By: Julie Green

Date: November 23, 2015

Name of Committee: Spiritwear

Committee Activities Description and Status: Spiritwear will be delivered second week of December. Amy Petersen and Ellen Kohlmeir wish to step down from the Spiritwear committee. Please mention that it is available for someone that is creative and would like to help JB have some Jaguar spirit.

Date: November 20, 2015

Name of Committee: JBN Night at the Chicago Wolves

Committee Activities Description and Status: March 20 set as the date for JBN Night and confirmed with the Wolves. I have the flyer from the Wolves and plan to start advertising to JBN families as soon as school starts up in January. Orders will need to come to me with checks for payment (I am checking to see if people can order online as well).

Proposals/Recommendations/Motions to be Presented: None.

Requests/Questions to be Addressed: None.

Date: November 19, 2015

Name of Committee: Teacher appreciation

Committee Activities Description and Status: does not have anything new to report until February when we start to arrange for spring teacher appreciation week.

Submitted By: Kathleen Garcia

Date: November 18, 2015

Name of Committee: Student Directory

Committee Activities Description and Status:

This committee helps get the A to Z online directory setup each fall for the app the parents are able to use and then gets out the paper copy of the directory each fall. They need to work closely with Ann in the office as far as her getting the info. from Power School once it's finalized the first month of school. That info. is then passed on to A to Z directories and they set up the online portion with the app. and another reminder or two is sent out for parents to verify data, add nicknames, etc. A to Z has a number of templates to choose from once parents verify and then information is inputted into these templates and is sent on to Kon Printing in Batavia for the paper copy. There are a number of phone calls to be made to local businesses in Batavia each summer and fall asking if they would like to have ad space in the paper directory for a donation of \$20 to our PTO. This year we had 20 businesses donate money for ad space and 63 families bought paper copies so far. The \$20 from local businesses helps offset the cost of the A to Z company not only setting up the app but the paper format used each year and maintaining our site for the year. There is a \$5 charge for the paper copy each year. It is supposed to be a "cost neutral" service/product provided by the PTO. There was a delay this year due to Power School changing the wording this fall when parents registered as to whether or not parents wanted their info. in the directory and/or year book and many marked this box incorrectly. The office staff worked diligently making almost 100 phone calls to clarify these issues before we could proceed and be certain who wanted their information in or not. We order about 20 extra each year. This year we ordered 80 total with 17 extra to sell throughout the year. Each year we end up selling those to new families or families that forgot to order.
