

## Collection Tips

- At home, have a special bag or bin too collect the items that are noted in this brochure
- Bag your items in either plastic or paper bags. Don't worry we recycle these too!
- Bring your TerraCycle bags to the bins located to the right of the gym doors. Items can be sorted but do not need to be.
- JBN PTO GREEN Team Leaders and student volunteers will sort the items.
- JBN PTO GREEN Team Leaders then package and send off the boxes to TerraCycle.
- TerraCycle takes care of the rest and credits us with points that we redeem for cash.
- TerraCycle GREEN Team Leaders & teachers work together to purchase games for indoor recess & play ground equipment.

The JBN PTO is committed to purchasing playground equipment for recess using the money earned through TerraCycle.

Last year the Student Advisory Board (SAB)/Student Council students, led by Mrs. Julie Phillips, Learning Resource Center Director and Mrs. Karen Skar, Fifth Grade Teacher assisted with the sorting and packing process each month and will continue to do so.

This year the PTO Green Team together with the leadership of Mrs. Phillips and Mrs. Skar will embark upon another goal: *to increase student awareness of and involvement in TerraCycling at JBN.*

To accomplish this goal we have added specially marked baskets in each classroom for TerraCycle. Students are bringing the full baskets to the collection bin just to the right of the gym doors. **We also have 4 bins in the lunchroom to collect the most common lunch items – drink pouches, lunchables, GoGO Squeeze, Entenmann's & energy bar wrappers.**

Contact a Green Team Coordinator to help with sorting or ask questions:

Welcome to the TerraCycle® Brigade® Collection Program!  
TerraCycle's goal is to help eliminate the idea of waste by creating collection and solution programs, called Brigades, for all kinds of typically non-recyclable waste. These Brigade programs are free and for each unit of waste collected we will earn TerraCycle points typically worth \$0.02 per point.

Collecting the items + bringing the items to JBN = diverting waste away from the landfill AND FREE MONEY for JBN.

Money earned during the  
2014-2015 school year  
**Over \$755!!!**
