Name of Committee: Room Parent Coordinator

Committee Activities Description and Status: We utilized room parents to reach out to families for Fun Fair donations.

Proposals/Recommendations/Motions to be Presented: NONE

Requests/Questions to be Addressed:

1. Do we want to continue with the same format for next year?
2. Though paper pencil room parent sign up allowed those that don't typically use sign up genius, I feel that next year we should go back to using sign up genius for room parents. There were several obstacles that presented themselves with paper pencil sign up. This would alleviate those issues.

Name of Committee: Terracycle

Committee Activities Description and Status: We have raised over \$390 so far this year. We have seen some changes to the brigades that may affect our earnings this year. The Lunchable program has discontinued & the juice pouch program no longer offers double points (this is our largest money making brigade).

Proposals/Recommendations/Motions to be Presented: We may need to look at what we raise this year and see what we would like to do for next year. Lunch room support is very important for this program to be a success at school. We would need additional parent support next year if we continue.
